The aggregate shareholding of the Promoter of the Company as on the date of publication of Public Announcement (i.e. November 4, 2020) is as follows:

S. No.	Name of shareholder	No. of Equity Shares held	No. of Equity Shares held in dematerialized form	Percentage of issued Equity Share capital
1.	President of India acting through Ministry of Power, Government of India	5,04,80,97,508	5,04,80,97,508	51.02%
Total		5,04,80,97,508	5,04,80,97,508	51.02%

No shares or other specified securities in the Company were either purchased or sold by the Promoter during a period of six months preceding the date of the Board Meeting at which the Buyback was approved.

In terms of the Buyback Regulations, under the Tender Offer route, the promoter and promoter group of the Company have an option to participate in the Buyback. Pursuant to the proposed Buyback and depending on the response to the Buyback, the shareholding of the Promoter in the Company may increase or decrease from the existing 51.02% holding in the total paid-up equity share capital of the Company as on date of the Board Meeting i.e. November 2, 2020. In this regard, the President of India acting through Ministry of Power, Government of India, vide their letter dated November 3, 2020 intends to participate in the Buyback and tender up to such extent that the minimum shareholding of the Promoter post buyback remains at least 51.00% of the post buyback equity share capital of the Company in compliance with the Buyback Regulations.

Post Buyback, the non-promoter shareholding of the Company shall not fall below minimum level required as per SEBI Listing Regulations.

The Company, in compliance with regulation 4(v) of the Buyback Regulations, is not undertaking this Buyback so as to delist its Equity Shares or other specified securities from the stock exchanges.

7. AUTHORITY FOR THE BUYBACK

The Buyback is in accordance with the provisions of Article 23A of the Articles of Association of the Company, Section 68, 69, 70 and all other applicable provisions if any, of the Companies Act, 2013 as amended, the Companies (Share Capital and Debenture) Rules, 2014 and the provisions contained in the Buyback Regulations.

The Buyback is subject to approvals as may be necessary, from time to time from statutory authorities including but not limited to SEBI, BSE and NSE.

The Board of Directors at their meeting on November 2, 2020 passed a resolution approving buyback of Equity Shares of the Company.

8. NECESSITY OF THE BUYBACK

The Buyback would help in optimization of the capital structure and improving return on equity, by reduction in the equity base, thereby leading to long term increase in shareholders' value.

Further, the Buyback, which is being implemented through the Tender Offer route as prescribed under the Buyback Regulations, would involve allocation of higher of number of shares as per their entitlement or 15% of the number of shares to be bought back, reserved for the small shareholders. The Company believes that this reservation of 15% for small shareholders would benefit a large number of public shareholders, who would get classified as "small shareholder".

9. MANAGEMENT DISCUSSION AND ANALYSIS OF THE LIKELY IMPACT OF BUYBACK ON THE COMPANY

9.1 We believe the Buyback is not likely to cause any material impact on the profitability/ earnings of the Company except a reduction in the amount available for investment, which the Company could have otherwise deployed towards generating investment income. Assuming there is full response to the Buyback to the extent of 100%, the funds deployed by the Company towards the Buyback would be Rs 2275,74,81,790/- (Rupees Two Thousand Two Hundred Seventy Five Crore Seventy Four Lakh Eighty One Thousand Seven Hundred Ninety only) excluding the transaction costs viz. brokerage, advisor's fees, intermediaries fees, public announcement publication fees, filing fees, turnover charges, applicable taxes inter alia buyback taxes, securities transaction tax, goods and services tax, stamp duty and other incidental and related expenses. This shall impact the investment income earned by the Company, on account of reduced amount of funds available for investments.

9.2 We believe the Buyback will not in any manner impair the ability of the Company to pursue growth opportunities or meet its cash requirements for business operations. The Buyback is expected to contribute to the overall enhancement of shareholder value and result in an increase in the return on equity of the Company.

9.3 In terms of the Buyback Regulations, under the Tender Offer route, the promoter and promoter group of the Company have an option to participate in the Buyback. In this regard, the President of India acting through Ministry of Power, Government of India, vide their letter dated November 3, 2020 intends to participate in the Buyback and tender up to such extent that the minimum shareholding of the Promoter post buyback remains at least 51.00% of the post buyback equity share capital of the Company in compliance with the Buyback Regulations. The Buyback of Equity Shares will not result in a change in control or otherwise affect the existing management structure of the Company.

- e) In compliance with Regulation 6 of the Buyback Regulations, the reservation for the Small Shareholders, will be [●] Equity Shares which is higher of:
 - i. Fifteen percent of the number of Equity Shares which the Company proposes to Buyback i.e. 15% of [●] Equity Shares which works out to [●] Equity Shares; or
 - ii. The number of Equity Shares entitled as per their shareholding as on Record Date [i.e. $([●] / [●]) \times [●]$] which works out to [●] Equity Shares.

All the outstanding Equity Shares have been used for computing the entitlement of Small Shareholders since the Promoter i.e. (the President of India, acting through Ministry of Power, Government of India) also intends to offer Equity Shares held by them in the Buyback.
- f) Based on the above and in accordance with Regulation 6 of the Buyback Regulations, [●] Equity Shares will be reserved for Small Shareholders. Accordingly, General Category shall consist of [●] Equity Shares.
- g) Based on the above entitlements, the Ratio of Buyback for both categories is decided as below:

Category	Ratio of Buyback
Reserved Category	[●] Equity Shares out of every [●] fully paid-up Equity Shares held on the Record Date
General Category	[●] Equity Shares out of every [●] fully paid-up Equity Shares held on the Record Date

(The above Ratio of Buyback is approximate and providing indicative Buyback Entitlement. Any computation of entitled Equity Shares using the above Ratio of Buyback may provide a slightly different number due to rounding off. The actual Buyback Entitlement for Reserved Category for Small Shareholders is [●]% and General Category for all other Eligible Shareholders is [●].%)

19.5 Fractional Entitlements

If the Buyback Entitlement, after applying the above mentioned ratios to the Equity Shares held on

Record Date, is not a round number (i.e. not in the multiple of 1 (one) Equity Share) then the fractional entitlement shall be ignored for computation of Buyback Entitlement to tender Equity Shares in the Buyback Offer, for both categories of Eligible Shareholders.

On account of ignoring the fractional entitlement, those Small Shareholders who hold [●] or less Equity Shares as on Record Date will be dispatched a Tender Form with zero entitlement. Such Small Shareholders are entitled to tender Additional Equity Shares as part of the Buyback Offer and will be given preference in the Acceptance of one Equity Share, if such Small Shareholders have tendered for Additional Equity Shares. The Company shall make best efforts subject to Buyback Regulations in accepting Equity Shares tendered by such Eligible Shareholder to the extent possible and permissible.

19.6 Basis of Acceptance of Equity Shares validly tendered in the Reserved Category

Subject to the provisions contained in this Draft Letter of Offer, the Company will accept the Shares tendered in the Buyback Offer by the Small Shareholders in the Reserved Category in the following order of priority:

- a) Full acceptance (i.e. 100%) of Shares from Small Shareholders in the Reserved Category who have validly tendered their Shares, to the extent of their Buyback Entitlement, or the number of Shares tendered by them, whichever is less.
- b) Post the acceptance as described in paragraph 19.6 (a) above, in case, there are any Shares left to be bought back from Small Shareholders in the Reserved Category, the Small Shareholders who were entitled to tender zero Shares (on account of ignoring the fractional entitlement), and have tendered Additional Shares, shall be given preference and one Equity Share each from the Additional Shares tendered by these Small Shareholders shall be bought back in the Reserved Category.
- c) Post the acceptance as described in paragraph 19.6 (a) and (b) above, in case, there are any validly tendered unaccepted Shares in the Reserved Category (**“Reserved Category Additional Shares”**) and Shares left to be bought back in Reserved Category, the Reserved Category Additional Shares shall be accepted in a proportionate manner and the acceptances shall be made in accordance with the Buyback Regulations, i.e. valid acceptances per Shareholder shall be equal to the Reserved Category Additional Shares tendered by the Shareholder divided by the total Reserved Category Additional Shares and multiplied by the total number of Shares remaining to be bought back in Reserved Category. For the purpose of this calculation, the Reserved Category Additional Shares taken into account for such Small Shareholders, from whom one Equity Share has been accepted in accordance with paragraph 19.6 (b) above, shall be reduced by one.
- d) Adjustment for fractional results in case of proportionate acceptance, as described in paragraph 19.6 (c) above, will be made as follows:
 - For any Small Shareholder, if the number of Additional Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
 - For any Small Shareholder, if the number of Additional Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional acceptance is less than 0.50, then the fraction shall be ignored.

19.7 Basis of Acceptance of Equity Shares validly tendered in the General Category

Subject to the provisions contained in this Draft Letter of Offer, the Company will accept the Shares tendered in the Buyback Offer by Eligible Shareholders (other than Small Shareholders) in the General Category in the following order of priority:

- a) Full Acceptance (i.e.100%) of Shares from Eligible Shareholders in the General Category who have validly tendered their Shares, to the extent of their Buyback Entitlement, or the number of Shares tendered by them, whichever is less.
- b) Post the acceptance as described in paragraph 19.7 (a) above, in case, there are any validly tendered unaccepted Shares in the General Category (**“General Category Additional Shares”**) and Shares left to be bought back in General Category, the General Category Additional Shares shall be accepted in a proportionate manner and the acceptances shall be made in accordance with the Buyback Regulations, i.e. valid acceptances per Eligible Shareholder shall be equal to the

General Category Additional Shares validly tendered by the Eligible Shareholders divided by the total General Category Additional Shares and multiplied by the total number of Shares remaining to be bought back in General Category.

- c) Adjustment for fractional results in case of proportionate acceptance, as described in paragraph 19.7 (b) above, will be made as follows:
- For any Eligible Shareholder, if the number of Additional Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 (one) and the fractional acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
 - For any Eligible Shareholder, if the number of Additional Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 (one) and the fractional acceptance is less than 0.50, then the fraction shall be ignored.

19.8 Basis of Acceptance of Shares between Categories

- a) After acceptances of tenders, as mentioned in 19.6 and 19.7 above, in case, there are any Shares left to be bought back in one category (**‘Partially filled Category’**), and there are additional unaccepted validly tendered Shares (**‘Further Additional Shares’**) in the second Category (**‘Over Tendered Category’**), then the Further Additional Shares in the Over Tendered Category shall be accepted in a proportionate manner i.e. valid Acceptances per Shareholder shall be equal to the Further Additional Shares validly tendered by an Eligible Shareholder in the Over Tendered Category divided by the total Further Additional Shares in the Over Tendered Category and multiplied by the total Shares left to be bought back in the Partially filled Category.
- b) If the Partially Filled Category is the General Category and the Over Tendered Category is the Reserved Category, then any Small Shareholder who has tendered Additional Shares shall be eligible for priority acceptance of one Equity Shares before acceptance in paragraph 19.8(a) above out of the Shares left to be bought back in the Partially Filled Category, provided no acceptance could take place from such Shareholder in accordance with paragraph 19.6.
- c) Adjustment for fraction results in case of proportionate acceptance, as defined in paragraph 19.8(a) above:
- For any Eligible Shareholder, if the number of Further Additional Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
 - For any Eligible Shareholder, if the number of Further Additional Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional acceptance is less than 0.50, then the fraction shall be ignored.

19.9 For avoidance of doubt, it is clarified that the Shares accepted under the Buyback Offer from each Eligible Shareholder, in accordance with above clauses, shall be lower of the following:

- the number of Shares tendered by the respective Shareholder, and
- the number of Shares held by the respective Shareholder, as on the Record Date.

19.10 For the avoidance of doubt, it is clarified that the Equity Shares tendered by any Eligible Shareholder over and above the number of Shares held by such Eligible Shareholder as on the Record Date shall not be considered for the purpose of Acceptance in accordance with above clauses.

19.11 Clubbing of Entitlements

In order to ensure that the same Eligible Shareholder with multiple demat accounts/folios do not receive a higher entitlement under the Small Shareholder category, the Equity Shares held by such Eligible Shareholder with a common PAN shall be clubbed together for determining the category (Small Shareholder or General Category) and the buyback entitlement. In case of joint shareholding, the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical shall be clubbed together. In case of Eligible Shareholders holding Physical Shares, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available, the Registrar to the Buyback will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, insurance companies, foreign institutional investors/foreign

portfolio investors etc. with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are held for different schemes/sub-accounts and have a different demat account nomenclature based on information prepared by the Registrar to the Buyback as per the shareholder records received from the Depositories. Further, the Equity Shares held under the category of “clearing members” or “corporate body margin account” or “corporate body - broker” as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.

1. GENERAL

The Indian tax year runs from April 1 until March 31. The basis of charge of Indian income-tax depends upon the residential status of the taxpayer during a tax year. A person who is a tax resident of India is liable to taxation in India on his worldwide income, subject to certain prescribed tax exemptions provided under the ITA.

A person who is treated as a non-resident for Indian tax purposes is generally liable to tax in India only on his/her Indian sourced income or income received by such person in India. Vide Finance Act, 2020, certain non-resident individuals are deemed to be resident in India upon triggering of certain conditions. Deemed residents would be liable to pay tax in India on their Indian sourced income or income earned outside India only if the same is derived from Indian business or profession.

In case of shares of a company, the source of income from shares would depend on the “situs” of the shares. As per ITA and Judicial precedents, generally the “situs” of the shares is where company is “incorporated” and where its shares can be transferred. Accordingly, since the Company is incorporated in India, the shares of the Company would be “situated” in India and any gains arising to a non-resident on transfer of such shares should be taxable in India under the ITA subject to any specific exemption in this regard. Further, the non-resident can avail the beneficial tax treatment prescribed under the Double Taxation Avoidance Agreement (“DTAA”), as modified by the Multilateral Instrument (“MLI”), if the same is applicable to the relevant DTAA between India and the respective country of which the said shareholder is a tax resident. The above benefit may be available subject to his satisfying relevant conditions prescribed under the ITA including but not limited to availability of Tax Residency Certificate, non-applicability of General Anti-Avoidance Rules (“GAAR”) and providing and maintaining necessary information and documents as prescribed under the ITA as well as satisfying the relevant conditions under the respective DTAA including anti-abuse measures under the MLI, if applicable.

2. CLASSIFICATION OF SHAREHOLDERS

Section 6 of the ITA, determines the residential status of an assessee. Accordingly, shareholders can be classified broadly in three categories as below:

A. *Resident Shareholders being:*

- Individuals, Hindu Undivided Family (HUF), Association of Persons (AOP) and Body of Individuals (BOI), Firm, LLP.
- Others (corporate bodies):
 - Company
 - Other than Company

B. *Deemed Resident Shareholder:*

- An individual being a citizen of India who is not liable to tax in any other country or territory by reason of his domicile or residence or any other criteria of similar nature and has total income other than income from foreign sources exceeding INR 15 lakh during the tax year.

C. *Non-Resident Shareholders being:*

- Non-Resident Indians (NRIs)
- Foreign Institutional Investors (FIIs) / Foreign Portfolio Investors (FPIs)
- Others:
 - Company
 - Other than Company

3. BUYBACK OF SHARES

Section 115QA of the ITA introduced w.e.f. June 1, 2013 contains provisions for taxation of a domestic company in respect of buy-back of shares (within the meaning of Sec. 68 of the Companies Act). Section

115QA of the ITA, provides for the levy of additional income tax at the rate of twenty percent (excluding surcharge and Health & education cess, as applicable) of distributed income on account of buy back of shares by the company.

In effect, the incidence of tax stands shifted completely to the Company and not the recipient of the buyback proceeds.

Before the enactment of Finance Act (No 2), 2019, this section was not applicable to shares listed on a recognized stock exchange. The Finance Act (No 2), 2019 has amended section 115QA of the ITA with effect from 5th July, 2019 extending its provisions to cover distributed income on buy-back of shares of a company listed on a recognized stock exchange as well.

Section 10(34A) of the ITA provided for exemption to a shareholder in respect of income arising from buy-back of shares, not being shares listed on a recognized stock exchange, w.e.f. April 1, 2014 (i.e. Assessment year 2014-15). The Finance Act (No. 2), 2019 has made consequential changes to section 10(34A) of the ITA also extending the benefit of exemption of income from buy-back to shareholders in respect of shares listed on recognized stock exchange as well.

Thus, the tax implications to the following categories of shareholders are as under:

A. Resident Shareholders or Deemed Resident Shareholders

Income arising to the shareholder on account of buy-back of shares as referred to in section 115QA of the ITA is exempt from tax under the provisions of the amended section 10(34A) of the ITA with effect from July 5, 2019.

B. Non-Resident Shareholders

Income arising to a shareholder on account of buy back of shares as referred to in section 115QA of the ITA is exempt from tax under the provisions of the amended section 10(34A) with effect from July 5, 2019 in the hands of a non-resident as well. However, the same may be subject to tax in the country of residence of the shareholder as per the provisions of the tax laws of that country. Further, credit of tax paid by the company in respect of the buy-back of shares may or may not be allowed to such non- resident shareholder, to be claimed in the country of his residence, tax in view of Sec 115QA (4) and (5) of the ITA and the relevant DTAA. Non-resident shareholders need to consult their tax advisors with regard to availability of such a tax credit.

4. TAX DEDUCTION AT SOURCE

At present income arising on account of the buy-back of shares is exempt from tax under Section 10(34A) of ITA in the hand of shareholders and the same is not subject to tax deduction at source/ withholding tax.

5. SECURITIES TRANSACTION TAX

Since the Buyback of shares shall take place through the settlement mechanism of the Stock Exchange, Securities Transaction Tax at 0.1% of the value of the transaction will be applicable.

Caveat:

The summary of the tax considerations as above is based on the current provisions of the tax laws of India, which are subject to change or modification by subsequent legislative, regulatory, administrative or judicial decisions.

In view of the specific nature of tax consequences, shareholders who are not tax residents of India are required to consult their tax advisors for the applicable tax and the appropriate course of action that they should take considering the provisions of the relevant Country or State tax law and provisions of DTAA where applicable.
