

Training Programme on Modern Farm Techniques by NTPC Mouda under Azadi Ka Amrit Mahotsav

NTPC Mouda organized a 7-day training programme from 17th-23rd September 2021 on 'Modern Agriculture Techniques' for farmers of 12 villages in the vicinity of the NTPC Mouda. The training programme is being conducted in villages which includes 2-hours classroom training and 1-hour field demonstrations.

The objective of the training is to facilitate farmers and acquaint them with new irrigation techniques, promotion of crop diversification, formation of new farmer groups, and also the introduction to labour-saving hand tools which in turn would relieve them from labour-intensive & time-consuming drudgery work.

Inauguration of Backyard Poultry Farming in Takua Village near NTPC Kaniha
